

REMARKS

Claims 1-7 are all the claims pending in the application.

Pursuant to a teleconference between Applicant's representative, Mr. Raja Saliba, and Examiner Tran conducted on March 12, 2004, Applicant is submitting this Supplemental Amendment to add back in claim 1 the word "as" after the word "large" as recited in the issued patent for which this reissue application was filed. As requested by the Examiner, Applicant is basing the amendment off of **original** claim 1, showing markings of all the changes previously made to claim 1 in the Amendment filed on July 6, 2001.

In addition, Applicant is amending the specification to include the appropriate cross-reference to the pending divisional application as required under 37 CFR 1.177(a).

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.
